April 2021

## **From The President**

Jane Merkel

Hello Crazy Quilters,

March Madness is definitely here. Not sure if that means basketball playoffs or attempts to obtain the vaccine appointments. I thought the snow would never melt but it did. Have any bulbs peaked through and bloomed? Dare we even say spring is here. Indeed, we must. It gives us hope.

The constant among all these changes is our quilting. I am ever so thankful for the time I am able to spend at my machine, perusing new patterns, techniques, and fabrics. I am equally grateful for the Crazy Quilters programing and the chance to "see" you once a month. I hope you enjoyed the breakout rooms and we will continue to do that if you join the meeting at 6:35 to 6:50.

I welcomed our March program with Toni Smith. She came to us from Canada and was a lively and informative presenter. Without Zoom, this would not have been impossible. I plan to take her workshop and do a pixel of my grandson's cat; or, if I get more daring, a character from FortNight that he likes.

I hope you joined us for National Quilting Day, March 20! And are also looking forward to the Global Quilt Connections offering we are hoping to secure for May 22 and May 23, 3 to 6.

Until we see you on Zoom in April,  
Happy Quilting, Jane

The Crazy Quilters Quilt Guild  
meets the first Tuesday of the month, 6:30 PM  
Via Zoom until further notice

## 2021 Program Updates

Sue Marin

**March 2, 2021:** – We welcomed Toni Smith (AKA Quiltoni) for a lively presentation and introduction to the Pixel Revolution! Toni will offer her workshop entitled “Creating Your Own Pixelated Pattern” on Saturday, April 10 and Saturday April 17. Both sessions will be held from 1:00 – 4:00 PM. Members who registered for class will receive a Zoom invitation a few days prior to the first class. Toni is also offering **every guild member** a 10% discount on everything in her store. Our code word is “CRAZY”. In addition, she will also offer free shipping on orders of at least \$125. Log on to [www.quiltoni.com](http://www.quiltoni.com) to see her full selection.

Our first National Quilting Day **Zoom and Sew** session on March 20 went well. Approximately 17 members gathered to sew, share tips and just talk with each other. We hope you’ll join us in May!

**April 2021:** – **PROGRAM CHANGE:** Due to unforeseen issues with Dr. McCormick’s health, I am saddened to report that his program, “Ergonomics for Quilters” is canceled for April 6. We will, however, have a video presentation prepared by the International Quilt Museum in Lincoln, Nebraska. In honor of spring and our Crazy Quilter gardeners, we will explore “Cultivating Culture: Botany, Gardening, and Nineteenth Century American Quilts.” Since this program is only 30 minutes long, there will be time for me to share some easy hand and neck exercises Dr. McCormick taught me to help relieve the stresses encountered while quilting.

**May 2021:** – Heather Kojan returns and will share her tips for deciphering Quilt Math.

**Another Zoom and Sew session is scheduled for Saturday, May 15 from 9:30 – 11:00 AM. This one will have a workshop feel to it as we will offer the opportunity for all attendees to learn how to make fabric/quilted postcards. Yes, they will go through the USPS mail system! A materials list will be provided beforehand, but you probably have most of the materials on hand. This is a great way to use up your stash!**

**Mark your calendars for a special, FREE Guild sponsored two-day special event on May 22 and 23, 2021. Check the announcement included in this newsletter for more details about the Global Quilt Connection’s “All Star Virtual Sampler Platter.”**

**June 2021:** - Mary Fons (of Fons and Porter) will do a trunk show and share her experience as editor of *Quiltfolk* Magazine.

**July 2021:** – Cindy Orvacez, author of *Into the Garden: Realistic Three Dimensional Flowers Faster by the Strip* will talk to us about using embellishments in our designs.

**August 2021:** – Special **two-hour** presentation with Emily Taylor who will teach us the basics of collage quilting.

**September 2021-** Meg Cox will offer her thoughts on “Making Meaning.”

**October 2021:** - Robin Long of Robin Ruth Designs will do a program on creating the Mariner’s Star Compass using her strip piecing method.

**November 2021:** Lilo Bowman - “Adapting for Change.”

All program information is listed on our website. Please check the Meetings and Events page each month for updates, details of the various programs and important messages.

We added 3 new members to the club and lost one – so we now have a total of 18 members:  
Linda Bieber, Kim Bringhurst, Sam Cetrulo, Linda Green, Helen Hanton, Karen Hartzell, Deb Heeps, Doris Horwath, Sarah Jay, Ann Lineberger, Jane Merkel, Kathy Moore, Suzanne Nelson, Vicki Pede, Lizzie Riccaboni, Phillis Walden, Judy Walker, Linda Wojciechowski.

Pattern for Block #2 will be posted on the Crazy Quilters Quilt Guild website by the 1st of April.  
Note that there are TWO parts to the directions for this block.

Cutting instructions are correct. There are misprints in both Part 1 and Part 2. Diagram in instructions on p5 of Part 1 incorrectly identifies as color #6 the 4 rectangles that are actually color #8.

In Part 2, the same error noted above (in Part 1) is on both p3 and p4.

Please let me know if you have questions or problems when working on this block.

Happy Sewing! Pattern for Block 3 will be posted on the website by May 1.

## Playful Spirit Raffle Quilt Update

Linda Anderson and Suzanne Nelson

We put out the call for fabric, and the Crazy Quilters responded! The drive-by drop off in the Target parking lot was a rousing success. We received fabric donations from 12 members, all carefully cut into strips. We have gone through all the lovely blues, whites, and creams and have created kits for the volunteers who have offered to sew. It takes a village to make a raffle quilt and we are so grateful to everyone who has offered up their fabric and their time. We want to specifically thank Jane Merkel and Helen Hanton for referring patterns to us for consideration. And to all the fabric fairy godmothers, thank you thank you thank you for all the strip cutting: Viki Pede, Phillis Walden, Mercedes Gurniak, Diana Campbell, Lorraine Bujnowski, Jane Merkel, Dawn Martrich, Sue Marin, Kathy Moore, Judy Walker, Karen Hartzell, and Sharon Yurkanin. Stay tuned for updates as the sewing team gets to work.

## Quilt Challenge for January 2022

Linda Green

**The Brighter the Better**  
**It's time to crank up your color!!**

The challenge: to go beyond your comfort zone and make a quilt out of those bright fabrics you tend to shy away from. How bright can you go???

Category 1: Large Quilt Division (larger than 40x40)

Category 2: Mini Quilt Division (smaller than 40x40)

Such as wall hangings, table runners, etc.

Category 3: Non -"Quilt" Division

Items other than quilts but that are quilted such as a jacket, purse, or pillow.

You may enter as many categories as you choose.

The big showing of how **"bright can we go"** will be at our January 2022 meeting.

There will be prizes for all categories!!

Questions: Contact Linda Green. Karen Hartzell will also be helping on the committee and can answer questions.

## Community Service

Janet Yandrisevits and Mercedes Gurniak

The onset of Spring and lightness brings along a renewed sense of community all around us. With that in mind, I am happy to deliver **346 completed pillowcases** to Ryan's Case for Smiles, and to pick up additional kits. Some fabrics will be available for placemat kits as well.

I have arranged for another pick up/drop off day to be held on Saturday, April 10th from 1000-1100 in the parking lot of Holy Spirit Church in Emmaus. I look forward to being available to you as we continue our efforts to share our creativity and talents with the Community around us.

Here are two members quilt journeys. Thank you for sending them this month. I hope to receive two every month to include. Please send your quilt journey to Sam Cetrulo.

**Betsy Golden**

Length of Quilt Journey: 40+ years

**How did you learn how to sew?**

My mother taught me to sew simple clothing for myself when I was about 12. I still sew on her featherweight.

**How would you describe your quilting style?**

Eclectic

**Has it changed over time?**

When I was a teen, I started saving squares of fabrics from everything I sewed for a quilt I would someday make. I had an interest in weaving, knitting, macrame, and various types of embroidery, basically anything textile-related. I first learned how to quilt using cardboard templates at a class at the Y. We made Eleanor Burn's sampler quilt. I taught myself rotary cutting with a book by Nancy Johnson Srebro. Around this time I met a guild member at a medical appointment, where I was carrying a quilting book, and she invited me to a Crazy Quilter's meeting at the Senior Center in Allentown. By then I was on my 2nd bed size quilt. I learned so much from programs, workshops, and other guild members. I also learned appliqué from Julie at Julie's Sewing Basket, which some may remember in Emmaus. Since then I have explored quilt history, appraisal and fabric dating through study groups and classes, which gave me an interest and appreciation for antique and reproduction quilts.

More recently I am into stash busting, scrap quilts, batiks and, with 7 grandchildren, kids quilts.

I am not much for following a pattern. I like to adapt an idea to suit my taste and supplies. For me, that's where the fun is- creating something unique, whether it's traditional, or more contemporary.

**Who is your favorite fabric designer and why?**

I have a weakness for William Morris designs. They are the only fabrics that I tend to buy just because I need to have them!

**Do you pick fabric or pattern first?**

It depends. Most of the time I have an intended recipient for a quilt, and I try to choose something for their interests or color scheme. Occasionally I see a picture and know I want to make that design.

**What is your favorite part about quilt making and why?**

The many ways I can make a quilt my own creation. I enjoy the challenge.

Also, I want to add, teaching family members to sew their own quilts has given me a lot of joy.

**What is your least favorite part and why?**

Pinning the layers together, especially since back surgery. Because I pin on the floor!

**What other things do you sew?**

Doll Clothes, toddler clothes, curtains.

**What is your favorite sewing saying?**

Mistakes are creative opportunities.

**What other hobbies do you enjoy?**

Gardening, long walks with my dog, knitting, baking, reading/listening to audiobooks.

## Diana Campbell

**Length of Quilt Journey:** I seriously started quilting in the mid-1980's, so I have been a quilter for at least 36 years.

### How did you learn to sew?

I started making doll clothes between 6-7 years old. At age 9, my mother taught me how to sew on her Singer machine. I made my first dress, a "shift," at age 10. From then-on I kept advancing, making clothes for myself, all the way through high school, college, and my adult life. Everything I wore I made, including my wedding gown. I also made clothes for my two daughters, and I taught both of them to sew, too.

### How would you describe your quilting style?

That is hard to say. I guess when I first started quilting, I was pretty traditional. I was just learning about what the possibilities were and finding my way. Now, I am very detail-oriented and am always creating a new approach to quilt design.

### Has it changed over time?

Absolutely! I came into quilting as a garment maker. I started out making a few bed quilts and wall hangings. But I eventually applied quilting techniques, such as applique, crazy quilting, and patchwork to garments. I could fill a closet with all the items I have made for myself and my (then) little girls! While I was doing that, I was also making wall quilts. I did not realize it at the time, but they were actually the beginning of my "art quilt" journey. Now, I am totally immersed in creating art quilts from our travels both here and abroad.

### Who is your favorite fabric designer and why?

I can't say that I have a favorite. When I am shopping for fabric, I am totally focused on color and textures. Batiks are my favorite for my quilts.

### Do you pick fabric or pattern first?

I rarely buy patterns. All of my art quilts come from photos my husband has taken on our trips. When I go out shopping, I take a copy of that photo with me, plus a swatch book of what I already have "stashed" at home.

### What is your favorite part about quilt making and why?

I guess it would be the "hunt" for the perfect fabric. I also love, love hand applique, and thus all of my quilts are hand appliqued. And I do not mind the "tedium" of hand applique. My last quilt had over 400 hand appliqued pieces.

### What is the least favorite part?

That would be the preparation for a quilt. I make two large vinyl overlays of my subject, one for my design wall and one for my work table. For each piece in the quilt, I make a freezer paper template that goes in the back of the fabric before it is hand appliqued. All of those papers must be removed before I start quilting.

### What other things do you sew?

Not much else. My quilts are my total focus these days.

### What is your favorite sewing saying?

"Sew much fabric, sew little time" and, often, "Haste makes waste!"

### What other hobbies do you enjoy?

Counted cross stitch, needle punch, knitting and crocheting, reading, and studying French.

Jackie Leipter

A card of sympathy was sent to Steve Chubin of Steve's Sew and Vac and Pottstown Sewing on the death of his wife.

Greetings and Congratulations to all of us for sewing many masks for the community and our families during this past year. We have also brought ourselves sunshine by digging into our fabric, finishing many started projects and working on quilts that we have been planning to make for quite some time. Although we have been saddened by the world's events we are thankful for having a hobby that brings us much joy.

If you have any news that you would like to share email.
